

UnitingCare

Foster and Kinship Care

We believe every child deserves a safe, secure, and loving home — and we're here to make that happen.

At UnitingCare, our mission is to improve the health and wellbeing of individuals, families, and communities in need. We speak out for fairness and justice, and provide care with compassion, innovation, and wisdom.

Why choose Uniting Care?

- You will never face challenges alone; we are here to listen, understand and advocate on your behalf.
- You will be invited to regular social events, carer network morning teas, barbecues, breakfast, carer recognition events and family fun day celebrations.
- You will receive 24/7 support and extensive training on trauma, attachment and behaviour support
- For children requiring extra care, we have specialised teams who provide a higher level of support and care for your family
- Our staff are trauma-informed, highly experienced and are there to support you on your caring journey
- We are a child-safe and child-friendly licensed organisation
- We have a strong community of carers who lean in and support each other
- We are a culturally and linguistically diverse, inclusive organisation and support carers and families from all walks of life
- We have a deep commitment to Aboriginal and Torres Strait Islander children, families, and their cultural connection

Our Team and Support Services

Compassionate • Skilled • Experienced

Choosing UnitingCare will mean you become part of a community, wrapped in support, to help guide you through every step of your fostering journey.

Every foster carer is supported by a dedicated Foster and Kinship Care Practitioner who provides ongoing home visits, regular check-ins, training and resources and strong advocacy for your family.

What if I need additional support?

If there's a time when more support is needed, our extended team and services are available.

They can provide:

- Intensive Case Management
- Youth Worker goal support
- Help navigating NDIS
- Brokerage funds access
- Tailored Care Plans
- Appointment support
- A short-term therapeutic intervention to focus on:
 - Understanding behaviour
 - Stabilising home life
 - Family & community connection

Brad & Damien's Story

We've been foster carers for just over three years now. We have learnt that kids are really resilient and as long as you give them as much love as you possibly can, they can face any kind of adversity.
