

Happy Pride!

From Queensland Children's Hospital Gender Clinic & Statewide Service

Who are we?

The Queensland Children's Hospital Gender Clinic and Statewide Service team consists of:

- mental health professionals including child and adolescent psychiatrists, psychologists, clinical nurses, social workers and occupational therapists
- paediatric endocrinologists
- Speech pathologists (with expertise in language, communication and voice).

Who can be referred?

- Children and young people under 18 years of age
- Who live in Queensland

- Who are questioning their gender or identifying as gender diverse or would like support around gender

Cost ?

Publically funded hospital outpatient service – that means no cost to you

How to refer?

A referral from your local doctor or General Practitioner is requested and can be sent via

- Specialist Outpatients referral form on the Queensland Children's Hospital website
